

Firewise Volunteers: This will be the schedule for brush clearing for the next several months. Note the work activity will start at 0800 hours. We usually work for two [2] hours but it is not a requirement for anyone to work the entire block of time. Whatever time you can volunteer for will be appreciated.

If you volunteer, it is advised that you wear heavy shoes or boots, wear gloves, long sleeve shirt and pants. **Flip flops, shorts, etc, are not advised.**

Consider bringing a snack and some liquid...water, tea or coffee...your choice. Tools...chain saw [if you have one], heavy brush cutting clippers [again, if you have one].

To all of the volunteers who have contributed your time and efforts over the past several months, the Firewise Committee THANKS YOU ALL for your support.
